8. Handling of Donations (monetary, services, or material) to the MARC.

MARC welcomes donations in Monetary, Materials, or Services to assist the MARC with its goal of furthering the service of Amateur Radio. The MARC will always be grateful for those donations and to those who are offering them.

- 1) The donation must be free of obligations by the MARC to the donor(s) or any other entity.
- 2) The acceptance of the donations may not impose any immediate or future financial burden on the MARC.
- 3) The Donor(s) must clearly state that the donation becomes the property of the MARC to use, dispense, or dispose of as the regular MARC members decide by vote at a regular MARC meeting.
- 4) The MARC Board of Directors will be the sole deciders of whether to accept or reject a donation.

The purpose of this policy is not to discourage donations to the MARC but to insure that the value of the donation can be fully utilized by the MARC.

9. Auditing of the MARC Financial Records

It is a standing practice of the MARC to audit the its financial records at the beginning of each calendar year. The following are guidelines for that purpose:

- 1) The financial records will be audited at the beginning of the calendar year with the results posted no later than the second regularly scheduled meeting of the year.
- 2) Two Auditors will be selected by the January meeting with the following criteria:
 - a) Must be regular MARC members in good standing.
 - b) Must not be an immediate, previous, or current member of the MARC officers or Board of Directors.
 - c) Will be selected during a regular MARC meeting.
- 3) The Audit will be performed in private with only the selected auditors present.
- 4) The Auditors will have the sole discretion of consulting with the immediate past MARC Treasurer and the current MARC Treasurer to resolve any issues noted.
- 5) The results of the Audit will be presented at the MARC regular meeting at the time of the Audit.
- 6) The audit results will be voted on by the regular members at the current meeting. If the regular members disapprove the audit findings the Club President will be required to find an independent party, acceptable to the MARC regular membership, to resolve the Audit issues.
- 7) If the Audit is not performed by the end of the February MARC regular meeting the Treasurer will not issue any checks from the MARC general fund until the Audit is completed.

10. Compensation for MARC Member's Expenses

At times MARC members will pay out of pocket expenses for items required by the MARC for normal business, events, or other MARC functions. MARC will reimburse the members who pay out of pocket expenses per the following guidelines:

- 1) Every attempt should be made beforehand by the MARC member to anticipate expenses and if possible determine the cost before-hand so that a MARC club check can be used to pay for the expense. This is the preferable way of paying for materials and services needed by the MARC.
- 2) If determining the cost before-hand is not possible the MARC member paying the expense must obtain a register receipt documenting the expense and the vendor who provided it. Hand written receipts must be on the vendor's printed receipts or on the vendor's letterhead and signed by an authorized representative of the vendor.
- 3) The MARC member must be authorized either by the Club Officers to incur the expense (less than \$100) or by a passed motion made at a regular meeting of the MARC.

4) If the purchase is time sensitive and the opportunity to make the purchase might be missed the MARC member must contact the MARC Treasurer or the MARC President for verbal authorization to make the purchase. If the authorization is given the MARC member must procure all the documentation required to return the product if the MARC Board of Directors or the MARC regular membership disapprove the purchase.

5) The MARC member will be reimbursed for his approved expenses by presenting the documentation to the MARC Treasurer at a regular MARC meeting. Services provided by members – At times services may be provided by members to the MARC when they are skilled at providing such services. The MARC will reimburse the MARC member for expenses relating to these services provided the expenses are approved before hand and receipts are provided as listed above. MARC members should NOT incur expenses without prior authorization at any time. The MARC Constitution clearly defines the purchasing authority of the MARC Board of Directors and any other expenses must be approved by motion at a regular MARC meeting.

11. Purging of the Club Roster

The Club President must request a motion of the Regular Members at the March Club Meeting or if the Regular Club Meeting is not held in March at the next Regular Meeting that is held to purge the Club Roster of members who are not in good standing. The motion must be approved by a majority voice vote of the Regular Members present. If the motion is approved the Club President will direct the Club Secretary to purge the Club Roster of members not in good standing and forward the new roster to the Editor of the MARC Times for his use. The public version of the Club Roster which includes member name and call sign only will be posted in the MARC Times.

A member listing including complete contact information will also be available, however this information is only made available on those individuals who opt-in to the service.

12. Constitution Review Requirement

The Club Constitution will be reviewed and amended as needed every four years by a committee of 3 Regular Members appointed by the Club President. The committee will report at the next Regular Meeting as to any changes that the committee recommends to the Club Constitution and Bylaws. The Club Board of Directors will meet and draft the recommended changes for presentation to the Regular Membership for approval. The Review Committee must be appointed on the 4th anniversary of the last committee appointment. The amendments will be handled according to Article VI of the Club Constitution.
